**DIRECT DEPOSIT**  
IT'S MONEY IN THE BANK

With Direct Deposit, your pay is automatically deposited in your checking or savings account each payday. There are no checks to deposit, no lines to wait in, no difficulties in collecting your pay when you're traveling, ill or out of the office. Your money is ready and waiting for you. Direct Deposit is the convenient, reliable way to get paid.

To enroll in the Direct Deposit Program, just complete the authorization information below. After your account information has been verified, Direct Deposit will begin 10 days after receipt of bank information. On payday, you will receive an earnings statement showing your gross pay, tax and other deductions, and the net amount of your deposit. Your pay will already be in your account and available for you.

I authorize you and the Financial Institution named below to automatically deposit my net pay to my account (this includes my authorization to you to reverse any entries made in error). This authority will remain in effect until I give written notice to cancel it.
